- Limits during Archery Only season are a subset of the Overall limits for the area and region.

- Archery harvests count toward the overall regional harvest limit.

- Harvest are limited during Archery Only season, even in Archery Only areas, in order to insure equitable opportunity for hunters during the General season as well.

- Archery hunting is authorized in all open areas during General season as well.

Note: Wild pigs may be harvested in unlimited numbers during legal hunting activities. All harvested pigs, deer, and turkeys must be brought to the game check station (Bldg 1944)
